From sea to lakes to lagoons, seagulls are found on every continent. Their connection to water is symbolic. Decoratively they give any décor a unique character. Made from thick wood, These 3 gulls are large. Wood is an imperfect surface so you may find knots or scuffs. The gulls come pre-drilled so they can be positioned to fit the space.

An aerial photograph of a river winding through a vast, dense forest. The trees are mostly evergreens, but many have turned golden-yellow and orange, indicating an autumn setting. The river is dark blue with some white rapids. In the background, there are rolling hills and mountains under a sky with scattered white clouds. The text "MADE IN" is overlaid in the center of the image.

MADE IN
