

ESTE MACLEOD

*"I prefer living
in colour"*

Este MacLeod's paintings are influenced by the real and the imaginary. Her background in textile and ceramic design is noticeable in the stylized, abundant and colorful forms used in still life, landscape and floral paintings. The variety of techniques Este uses to layer color and shapes adds an ethereal element to her work.

Using layers of colors, patterns and textures and her trademark florals and simple plant forms, Este's work is fresh and whimsical.

Each piece of metal boxed art is printed with UV inks and bent into shape and grommeted. The back cross-support is notched perfectly for easy centering. Indoor-Outdoor. Sun and moisture-friendly.
