Due to the rising cost of materials, we reserve the right to change our products' prices at any time without notice. However, if you have ordered but not yet paid for a product, we guarantee the price for one month from when the order was placed.

MEISSENBURG DESIGNS TERMS POLICY:

Our terms are credit card. We do not offer COD or pro-forma invoicing. An order without credit card information cannot be processed. A current customer with a satisfactory account history may request net 30 terms. The account must have ordered \$400 or more previously per quarter and been in business for at least 5 years. A request for net 30 terms does not imply approval. An account granted net 30 terms must still provide credit card backup information. A delinquent account that is 45 days in arrears will lose their net 30 terms.

A delinquent account will revert to credit card terms, and it is understood that we may use their credit card information to make the account current. If an account is between 60 to 75 days delinquent, it will be sent to collection. All expenses incurred during collection, including court costs and attorneys' fees, will be added to the account's balance. We report all delinquencies to credit bureaus and their subsidiaries.

No further business will be conducted with any account after collection.
