PERSONALIZATION "POINTERS"

In order to help eliminate spelling mishaps, we accept orders by fax (406.837.3010), website or email (sales@oldwoodsigns.com) only. Please write legibly. If you insist on placing your order by phone, we cannot guarantee that it will be produced correctly.

Remember, when changing a sign **LESS IS MORE**. The **MORE** you change the sign the **LESS** it will look like the original. The risk of disappointment is much greater.

We are happy to change a name, a location or a body of water for **FREE**, *wherever you see the indication arrows*. You will be up-charged **\$25.00** for changing text other than what is indicated. Taking text from one design and putting it in another design constitutes an up-charge. The extent of the change may constitute a higher charge. We do not change fonts. Your changes will be positioned according to our designers' expertise.

If you are changing a sign you plan to reorder, your **re-design** will remain in your store file and will incur no further charges when you order the same sign in the future. Generic signs are sold "as is" and cannot be changed. When re-ordering the identical sign, please include a brief description of the personalization and the words "As Before" next to the item number.

Successful retailers sell our signs pre-personalized or generic straight from store inventory. Don't make the mistake of **only** special ordering signs one-at-a-time for specific customers. The retailer who chooses to sell only special orders is losing valuable impulse sales.

Your order is specifically manufactured per your order. We do not carry inventory. Your order is binding. Manufactured orders cannot be canceled. Signs cannot be returned. We do not guarantee any sign (unless we've misspelled it or UPS damages it.)

We charge \$75.00 for color changes, logo insertion (scanning) and image designing and/or redesigning. This charge may also be incurred by extensive verbiage changes.

Thank you for your business.
