Meissenburg Designs now reproduces her art on metal and wood introducing Shelle's art to a whole new audience of art lovers. Inspired by the colors gleaned from outside her Montana studio, Shelle layers her original acrylics with wax and excavates the layers by scraping and sanding. Her animal forms are exaggerated and embellished creating an innocence unequaled by any contemporary artist.

Please note that catalog colors may not be precise representations of actual product colors due to variation in printing process, inks and substrate.

MEISSENBURG DESIGNS TERMS POLICY:

Our terms are credit card. We do not offer COD or pro-forma invoicing. An order without credit card information cannot be processed. A current customer with a satisfactory account history may request net 30 terms. The account must have ordered $400 or more previously per quarter and been in business for at least 5 years. A delinquent account that is 45 days in arrears will lose their net 30 terms.

A delinquent account will revert to credit card terms, and it is understood that we may use their credit card information to make the account current.

We report all delinquencies to credit bureaus and their subsidiaries.

No further business will be conducted with any account after collection.
