ORDER IN 4 SIMPLE STEPS

STEP 1

CHOOSE IMAGES

Choose images that will appeal to your customers - just have fun!

STEP 2

WOOD or METAL

Wood is a more traditional look. (lodge, country, home decor) *Indoor or covered outdoor use.

Metal is more kitschy (automotive, poolside, dive bar, brewery) *Outdoor most conditions.

STEP 3

CHOOSE SIZE

Some people might think smaller signs sell better, well our 30 years of experience prove that actually larger signs sell better! Mix it up!

Add a custom location

STEP 4

ADD TEXT

This is the fun part! Create a sign completely unique to your business, your area and your clientele. Change the text anywhere you see the arrows.

PERSONALIZATION "POINTERS"

In order to help eliminate spelling mishaps, we accept orders by fax (406.837.3010), website or email (sales@oldwoodsigns.com) only. Please write legibly. If you insist on placing your order by phone, we cannot guarantee that it will be produced correctly.

Remember, when changing a sign LESS IS MORE. The MORE you change the sign the LESS it will look like the original. The risk of disappointment is much greater.

We are happy to change a name, a location or a body of water for FREE, wherever you see the indication arrows. You will be up-charged \$25.00 for changing text other than what is indicated. Taking text from one design and putting it in another design constitutes an up-charge. The extent of the change may constitute a higher charge. We do not change fonts Your changes will be positioned according to our designers' expertise.

If you are changing a sign you plan to reorder, your re-design will remain in your store file and will incur no further charges when you order the same sign in the future. Generic signs are sold "as is" and cannot be changed. When re-ordering the identical sign, please include a brief description of the personalization and the words "As Before" next to the item number.

Successful retailers sell our signs pre-personalized or generic straight from store inventory. Don't make the mistake of only special ordering signs one-at-a-time for specific customers. The retailer who chooses to sell only special orders is losing valuable impulse sales.

Your order is specifically manufactured per your order. We do not carry inventory. Your order is binding. Manufactured orders cannot be canceled. Signs cannot be returned. We do not guarantee any sign (unless we've misspelled it or UPS damages it.)

We charge \$75.00 for color changes, logo insertion (scanning) and image designing and/or redesigning. This charge may also be incurred by extensive verbiage changes.

Thank you for your business.

ESTE MACLEOD

Este MacLeod's paintings are influenced by the real and the imaginary. Her background in textile and ceramic design is noticeable in the stylized, abundant and colorful forms used in still life, landscape and floral paintings. The variety of techniques Este uses to layer color and shapes adds an ethereal element to her work.

Using layers of colors, patterns and textures and her trademark florals and simple plant forms, Este's work is fresh and whimsical.

An aerial photograph of a vast, dense forest covering a valley. A river flows through the center of the forest, winding from the upper right towards the bottom left. The trees are mostly evergreens, but many have turned golden-brown, suggesting an autumn setting. In the background, a large, dark mountain rises against a sky filled with soft, white and grey clouds. The lighting is warm, coming from the side, creating long shadows and highlighting the textures of the forest and the water.

MADE IN

An aerial photograph of a vast, dense forest in Montana. The trees are mostly evergreens, with some deciduous trees showing autumn colors. A winding road is visible on the left side of the image. In the background, a range of mountains with snow-capped peaks is visible under a blue sky with scattered clouds. The word "MONTANA" is overlaid in large, white, bold, sans-serif capital letters across the center of the image.
